Monthly Report- Street Department November 2017

Road Projects

- Crack sealing on the streets will begin when weather permits.
- Parkway resurfacing project was completed in October.
- North Main Street is now resurfaced and striped.

Other Street Department Projects:

- Snow preparation is underway. Salt beds, snow plows, trucks, and the backhoe are all ready for the weather.
- Whitestown Beautification Project (Parkway Median Landscape) has begun.
- Whitestown Legacy Core Storm Water Project is working to hopefully be finished for Winter.

Training:

- Street department employees AJ Ball and Ben Campbell attended the Playground Maintenance Technician Training as well as town employee, Chuck Willig, and Parks Director Nathan Messer.
